

GREEN PILING – TESTIMONIALS

“Good professional service. Would gladly use Green Pilings services on future schemes”

- Project Manager, Renekar Build Ltd

“Very satisfied with the project they carried out on site and would be happy to use them again”

- Ultimate Packaging (Client)

“I personally wish to thank you for the professional and expedient manner in which the original works and subsequent additional works were completed at the Kemsley Substation. Thank you and hope to work with you again soon”

- Site Manager, SEESA

“The GPL site operatives carried out their operations in a very diligent manner, they were always helpful when approached regarding any site issues affecting GPL’s operations and performed their duties faultlessly on a particularly demanding site which was always under close scrutiny by the client. All parties who dealt with members of the GPL site team were particularly impressed by their attitude to the work in hand”

- Contracts Manager, Havercroft Construction

“The co-operation and professional manner of all staff excelled, with thanks”

- Projects Manager, Britcon

“First class – pleasure to work with, well done”

- Site Manger, Simons Construction

“Pleased with the response and quality of Green Piling. I will be recommending them in the future”

- Site Manager, Select Engineering

“Professionally managed Company who we enjoyed working with”

- Site Manager, C W Civil Engineering Ltd

“Excellent overall performance on site. Professional approach undertaken during the works. Very satisfied and would recommend/use again. Safety awareness was good and was clearly inherent in all tasks undertaken”

- Contracts Manager, McTaggart Construction
